Re: Referral in the Matter of Treasury FOIA Case
#2016-01-136 (David Kandolha of Global
Ampersand)

Dear Mr. Gottesman:

Pursuant to Department of Treasury (Treasury) regulations, I am referring sixty-six pages to the Environmental Protection Agency for processing and direct response to the requester. These pages were located as a result of a search initiated in response to Treasury's receipt of the attached Freedom of Information Act (FOIA) request (FOIA Case No. 2016-01-136) submitted by David Kandolha, Global Ampersand. A copy of Mr. Kandolha's original FOIA request is enclosed.

Please also be advised that we are forwarding to the Department of Justice (DOJ) and the Department of Energy (DOE) a total of one hundred and thirty-eight pages for review, processing, and direct response to the requester in this same matter. Although these documents are different and originate exclusively with DOJ and DOE, Treasury is advising you of these referrals because of DOJ's representation of the EPA in the underlying legal matter noted in the documents referred. If your office wishes to confer with these agencies concerning the release or redaction of the additional documents, we are providing the appropriate contact information below.
